Item 131/24

Updated 2024/25 Fees and Charges Schedule

Reporting Officer: Acting Director – Corporate Services, Lauren Tolputt

Ref: DOC/24/8326 | Updated 2024/25 Schedule: DOC/24/8549

Recommendation

That Council adopts the attached Fees and Charges Schedule for 2024/25.

Purpose

The purpose of this agenda item is to present an updated Fees and Charges Schedule for 2024/25.

Background

At the 24 June 2024 Council Meeting, Council adopted its 2024/25 Fees and Charges Schedule (item 119/24).

After the June Council Meeting, Officers conducted final audits of the adopted 2024/25 Fees and Charges Schedule while preparing to implement the fees where relevant. During this process, Officers identified errors in the adopted schedule that could materially impact the 2024/25 budget estimates if left unresolved.

Planning, Environment and Statutory Requirements

– *Local Government Act 1993* – Part 12 Division 7 (Fees and Charges).

Strategic and Annual Plan

- Dorset Council Strategic Plan (2023 – 2032), Imperatives 10.1, 10.4

Risk Management

The 2024/25 Fees and Charges Schedule must be prepared having regard to Council's Long Term Financial Plan, 2024/25 Budget Estimates, 2024/25 Annual Plan and any relevant statutory fees set externally to Council.

Officers have updated internal processes to include appropriate checks to prevent this issue from reoccurring.

Financial and Asset Management Implications

Anticipated income from fees and charges is included in the 2024/25 Budget Estimates.

Community Considerations

Council only charge the fee or charge necessary to provide each service, including planning for and implementing new services or improved services where relevant.

Council saves costs to the community wherever possible, including through the following initiatives:

- Free use of Council’s facilities (halls, recreation grounds, meeting rooms etc.) for community groups and not-for-profit organisations;
- Supporting business investment through Council’s New Business and Investment Policy and by offering food business registration renewals free of charge;
- Providing free entry to Council-owned pools, including the Scottsdale Aquatic Centre.

Consultation

Officers consulted the Commissioner and recommended that a Special Meeting of Council be held so that the 2024/25 Fees and Charges Schedule can be rectified on 2 July 2024.

Officer’s Comments

It is proposed that Council adopts the updated 2024/25 Fees and Charges Schedule in the attachments. The affected fees are largely in the cemetery, facility hire and development services fee categories.

The affected fees have been increased using the same principles that were communicated at the 24 June 2024 Council Meeting, being that the 2023/24 fee for each line item will increase by the most relevant indexing factor rounded to the nearest \$1 or \$5:

- **Labour based fees** will increase by 5% which is representative of the assumed 4.5% wage increase that will be passed on to employees from July 2024 in accordance with Council’s enterprise agreement, and the 0.5% legislated increase to the Superannuation Guarantee Contribution coming into effect from 1 July 2024
- **Infrastructure based fees** will increase by 3.75% which is representative of the Council Cost Index (CCI). CCI is an annual index published by the Local Government Association of Tasmania (LGAT) that reflects the increased costs associated with delivery of local government services
- **Other fees** will increase by 3.1% which is representative of the March Quarter Consumer Price Index (CPI) for Hobart
