

DORSET COUNCIL

Bridport Seaside Caravan Park

Application for Annual Site Holder Wait List

Thank you for interest in an Annual Site at the Bridport Seaside Caravan Park. Annual sites are managed by the Dorset Council. By completing this application you are agreeing for your information to be included on the Annual Site Wait List and payment of the annual Waiting List administration fee (as specified in Council’s Fees and Charges Schedule). Your information will be kept confidential.

Available Annual Sites will only be offered to applicants upon the Waiting List and in strict sequential order. If Council are unable to contact an applicant that has reached the top of the List after reasonable efforts have been made, the applicant will be shifted to the bottom of the List and Council will arrange to offer the available Annual Site to the next applicant upon the List. This process will continue until an Annual Site Holder Contract is established for the available Annual Site.

Applicants on the List cannot transfer their position to any other party.

If your circumstances change and you wish to remain on the List, you can be placed at the bottom of the List upon written request to Dorset Council. If you would like to be removed from the List please advise Dorset Council in writing.

Please refer to the Policy 56 - Bridport Seaside Caravan Park Annual Site Policy and Guidelines for information on Waiting List fees, rules and rights of refusal.
